

Ipad Class Revision

Task 1

If you have Pages on your iPad, in documents create a family and friends newsletter template. Include at least 3 small images to your newsletter.

Save the document as a PDF and email it to yourself so you can see what it looks like when it arrives at the other end.

Consider this revision as a possible template for a Christmas Newsletter.

Task 2

Use your Browser to Search for a new vehicle or a household item
Make a comparison between at least 3 vehicles of different brands
Once you have the information decide the method /tools you will use how
to you will save this information to your ipad.
